## Advert

Are you passionate about technology? Eager to kick-start a rewarding career in IT while earning and learning? This is your chance to step into the fast-paced world of Information and Communications Technology (ICT) — right at the heart of a vibrant, forward-thinking school community!

Whether you're fresh out of school, changing careers, or just love technology, this apprenticeship will equip you with the skills the digital world demands — all while making a difference in a school that values innovation and growth.

## What You'll Gain:

- **Real-world experience** in a live ICT environment
- **Professional qualifications** and on-the-job training
- A **supportive mentor** to guide your development
- The confidence and skills to take your IT career to the next level!

## ● What You'll Do:

- Provide hands-on IT support to students and staff
- Help maintain and troubleshoot cutting-edge computer systems and networks
- Learn to manage software, hardware, and digital classroom technologies
- Be a key player in keeping the school connected and secure
