

We are very fortunate to have the opportunity to work with Place2Be who will be providing a package of mental health and wellbeing support to The Rosewood School across 2 sites: Leybourne and Canterbury.

Improving children's
mental health

Across the service there have been assemblies running during breakfast club to raise awareness of children's mental health. This year's theme is '**Growing Together**'. Encouraging children (and adults) to consider how they have grown and how they can help others to grow. The staff and pupils at Leybourne are taking part in a Step up Challenge with a prize being awarded to the person with the most steps at the end of the week. GOOD LUCK to those taking part.

Staffing news

We'd like to extend a warm welcome to our new starter, **Mark Hamer**. Mark will be joining us as a Teacher of Options. We would like to take this opportunity to wish Mark every success within The Rosewood School.

Social Event...

We are arranging a whole school social event in Ashford towards the end of term 4. We have a provisional date of 19th March. If you have any suggestions, please share them with the change team as soon as possible.

Joke corner:

A KS3 Remote Learning pupil has raised £280 for charity by having his long hair cut, in preparation for successfully returning to his home school.

This has been donated to the Little Princess Trust & used to create 3 wigs. His mum said "He just wanted to give something back, and we are so proud of him". School said, "We used to see this flowing mane running around the playground, it is great to hear what he has done". Congratulations from all @ TRS.

As you are aware, we are working towards achieving a wellbeing award from Award Place in association with the National Children's Bureau.

The change team are meeting regularly to discuss ways to improve the wellbeing at The Rosewood School.

One of the changes we will be making is to implement wellbeing boards and suggestion boxes at all sites. You will see these changes in term 4.

The suggestion boxes will be monitored weekly and communications will be discussed amongst SLT and the change team and implemented where able. All comments / suggestions are welcome.

The Rosewood Echo is your opportunity to share any news, fun facts or events taking place. Please send your ideas to the change team throughout the term so we can include them in our newsletter.
