

What an incredible term it's been at The Rosewood School! From exciting guest visits to creative celebrations, our students have had a fantastic time learning, exploring, and growing. Here's a look back at some of the highlights:

We proudly took part in Place2Be's "Know Yourself, Grow Yourself" initiative, helping students reflect on their emotions and well-being through creative activities.

Royal Engineers Take Over! Our students had the amazing opportunity to develop leadership, teamwork, and communication skills with the experts from the Royal Engineers. A truly inspiring experience!

Poetry in Motion! A huge thank you to the Cranbrook Literature Festival for bringing poet Arji Manuelpillai to our school! Students loved playing word games and collaborating to create their own poems.

World Book Day Magic! The school was bursting with creativity as students and staff dressed up as their favorite book characters. It was a joyful celebration of stories, imagination, and the love of reading.

Our students explored local history, art, and culture through an engaging session with a guest from Maidstone Museum, bringing the past to life in exciting new ways.

Throughout the term, students have been discovering exciting career paths with expert-led sessions in Mental Health Nursing, Veterinary Nursing, Agricultural Engineering, and even a talk from a published author!

Young Enterprise Centre of Excellence

We are excited to share that The Rosewood School is making great strides toward achieving accreditation as a Young Enterprise Centre of Excellence. Our students across all schools have been exploring the importance of financial literacy through the "Money Matters" program, which covers key topics like savings, budgeting, interest, and managing bank accounts.

Our Canterbury and Leybourne pupils had the unique opportunity to learn financial information during a talk from the Bank of England. Meanwhile, pupils at Staplehurst have been actively applying their financial knowledge by setting up their own enterprise, bringing classroom learning to life in the real world.

Our ultimate goal is for all TRS pupils to leave school with the knowledge, skills, and confidence to make informed, independent financial decisions, ensuring they are well-prepared for their future financial journeys.

Good luck to our GCSE students! We know how hard they have worked, and we are incredibly proud of their dedication and perseverance.

To all our students: Stay focused, believe in yourself, and remember that your efforts will pay off. Take care of your well-being, get plenty of rest, and approach each term with confidence.

A huge **thank you** to **Benenden School** for their generosity! They recently hosted a fundraising concert and raised an incredible **£2,000**, which they have kindly donated to The Rosewood School.

Our talented students worked hard to craft a special Valentine's Day menu, featuring delicious, themed drinks that were perfect for the occasion. They experimented with new flavors and refined their barista skills. The menu was a big hit, and we're so proud of their hard work and creativity!

Meanwhile, our new chef has been making waves in the kitchen, baking an incredible selection of cakes and pastries that have quickly become customer favourites! Looking ahead, we're excited to launch our brand-new spring menu next week, filled with fresh, seasonal drinks, homemade cakes, and, of course, our popular sausage rolls. Stay tuned for more updates, and we hope to see you soon at Bulunga Coffee Shop!
