The Role of The Rosewood School

All of the adults in the school **WILL** safeguard students and promote their welfare. The adults at The Rosewood School will:

- Protect children/young people from maltreatment (cruel or violent treatment of a person)
- Protect children/young people from experiences that could impact their physical/mental health or development.
- Ensure that children/young people are growing up in a safe environment.

What is Child Protection about?

- All of the adults around you think that your health, safety and welfare are very important.
- In our school, we respect you and help to protect your rights.
- We do our best to help you make good educational progress.

How do we protect you and keep you safe?

- We provide a safe environment for you to learn in.
- We want to help to ensure that you remain safe, at home as well as at school;
- We think it is important for you to know where to get help if you are worried or unhappy about something.
- We will teach you how to stay safe online
- We will teach you how to recognise risks in different situations, and how to protect yourselves and stay safe.
- We make sure you have the best life chances and can grow up happy and successful

If you have a worry, tell an adult and don't keep it a secret if someone is:
