

## Children's Mental Health Week

This year's theme was "Let's connect". Place2Be joined forces with Taskmaster and set daily tasks for our pupils to take part in. Pupils had fun being involved in practical tasks whilst learning new ways to connect. Check out more photos on Google Drive.

**Some lovely feedback received this term....**

I am forever grateful for all the support that my daughter and I are receiving from the Rosewood School.

My daughter is a different child since starting at rosewood it's an absolutely amazing school

You work with me and my grandson and I am very happy with the school. You do your best to support us as a family

My daughter has only been at the school 2 weeks but so far the support, empathy, care and understanding has been outstanding. There has been no judgment.

My son has been able to make friends and start socialising since attending the rosewood school. He still has trouble getting into school, but always comes home with a smile.

This school have saved my child from a downward spiral
