

The Wellbeing Award for Schools

By now you'll all have heard the fabulous news that The Rosewood School has achieved the Wellbeing Award.

This reflects the positive attitudes to wellbeing that have developed and grown in the last couple of years.

Thanks go to everyone for this collaborative effort and a special thanks to the Change Team for driving this forward.

Obviously we don't want to rest on our laurels, we will work together to embed these values and look forward to the challenges to come.

Staffing Update

Donna Storer

Remote Inclusion Manager

Jane Muir

Outreach Support

We'd like to take this opportunity to wish you both every success within your new roles at The Rosewood School

May your birthday be filled with sunshine and smiles, laughter, love, and cheer!

Well done to Evie and thank you to all staff who have helped out in the first month of **Bulunga's** successful opening. Pupils have really enjoyed their work experience and serving customers from the local community

Look for the bits of beauty in every day. That is where the magic happens.

IT and Site Services Updates

- Orders have been placed with our broadband provider to install upgraded broadband connections to all three sites. This will increase our internet connection significantly and provide a more resilient service. We don't have an install date as yet, but it is on its way.
- Orders have been placed for a replacement printer solution for all three sites. These are due sometime after May. A centralised printer management solution (PaperCut) allowing you to print and collect at any copier using only your ID badge for authentication. Scanning will require just your ID badge, to inform the copier where to send the pdf to.
- **IT Security – Virus threats Remember if you get an email with an attachment, if it's unexpected, unusual in its request, or simply doesn't read or look right – it could be a Phishing / virus email – PLEASE if you are unsure DO NOT OPEN IT – call Jon on EXT 413 and seek advice.**
- You can help with data security and to meet GDPR requirements by remembering to lock your pc or laptop, when you walk away from it
- The covered area at Leybourne is almost finished....
- Final discussion with contractors are in place for the exterior frames at Canterbury to be replaced, along with improved ventilation.
- Staplehurst classrooms will be refreshed, along with new flooring.

And just as a reminder.....

- Helpdesk system for SITE and IT is available for staff to raise calls, check updates, etc. and jobs/issues/questions should be raised to this by email to:

SITE – site.helpdesk@trs.kent.sch.uk

IT – it.helpdesk@trs.kent.sch.uk
